	MTD	YTD
Unduplicated Patients	458	3473
Total Patient Visits	530	4,058
Value of Services Provided	\$136,955	\$920,866

## Successes, Accomplishments & Challenges

This month has been a journey and Mother Theresa has been reminding us to “be happy in the moment, that’s enough. Each moment is all we need not more.”

We have taken some moments to reflect on the past and look forward to the future. This month we welcomed a few new/old associates to join our dental team.

- **RENEWED SPIRIT!!!** Helen (Shelly) Watkins, previously employed by the Marian Dental Clinic 3+ years ago has come back to join our team again full-time. We are excited for Shelly to share her 20+ years of dental assisting experience with our team and we are already enjoying her energy and positive attitude in the clinic.
- **RE-ESTABLISHED SPIRIT!!!** Nicole Campbell, previously employed full-time by the Marian Dental Clinic, recently returned as a PRN Dental Assistant. Nicole brings great humor to the clinic and provides exceptional patient care. She was excited our clinic could accommodate her needs to be a stay-at-home mom; while working at the clinic on an occasional basis.
- **NEW SPIRIT!!!** Heather Cartmill is the additional dental hygienist we have been waiting to add to our team. Our clinic has needed an additional dental hygienist to assist with preventive care appointments for many years. We are so excited the Heather is willing to join our team and hit the ground running fast which will help us serve at least 8 more patients per day with routine dental care. Heather comes to us with many years of experience serving in a safety-net dental clinic and is a new graduate of the Flint Hills Technical College in Emporia KS.
