	MTD	YTD
Unduplicated Patients	435	435
Total Patient Visits	551	551
Value of Services Provided	\$117,106	\$117,106

Highlights

1. Clinic launches Feb 7 2018 a new partnership with Stormont Vail Emergency Department called, “ER to Dental Chair”

The purpose of this program is to provide a direct referral connection for patients in the ER to a Dental Clinic. We have established a shared calendar for the ER to schedule their patients, we have secured grant funding for those who do not have dental insurance, and we have provided ER providers an educational portal offering information on Dental Trauma, what is a dental emergency, and when/how to prescribe antibiotics/pain meds. We hope to provide more people access to dental care, reduce the number of patients admitted to ER for dental pain diagnosis, reduce hospital costs & superusers, and improve our partnership with local emergency departments.
