## Successes, Accomplishments & Challenges

Delta Dental of Kansas, Inc.'s Charitable Giving Committee has awarded a **\$2,500** grant to support our Dentistry for Diabetics Program.

The Dentistry for Diabetics program offers educational lunch n' learns for health care providers, organizations, dental practices, community members, and education centers. This educational series will expand awareness and knowledge of diabetes and caring for the diabetic patient while in the dental office.

One Hour Lunch n' Learn Education Sessions now available are:

- Dentistry for Diabetics Introduction
- What is Diabetes
- Oral Health for Diabetics
- Nutrition for the Diabetic – Oral Health Impact
- Xylitol – Does it Affect My Blood Sugar?

Father Tim Haberkorn visited the clinic to bless our ministry, the patients served here, and the wonderful folks providing the service. Thank you Father Tim!
