Total Patient Visits	539	3,528
Value of Services Provided	\$135,994	\$784,609

Successes, Accomplishments & Challenges

Community Benefit is integral part of our mission as a non-profit, faith-based, healthcare organization. Inspired by our faith, SCL Health strives to address the most serious health-related needs of the communities we serve.

Partnering with Valeo Behavioral Health is a critical piece in breaking down barriers to care, enhancing access to care, and improving the overall health of those we serve. In honor of Mental Health Awareness Month in May, these HOPE bags were packaged with generous hearts by Marian Dental Clinic's associates, spouses, and families. We want to bring hope and joy to those who may be in crisis or in need of Valeo's supportive services. **With the generous support of Thrivent Financial's Live Generous Project and SCL Health who donated \$1,250, the Marian Dental Clinic is honored to be providing Valeo Behavioral Health Crisis Center 203 Hope Bags.** St Vincent de Paul reminds us that "Charity is certainly greater than any rule. Moreover, all rules must lead to charity." Supporting each other's mission is just another way to show generosity, love, and charity. Thank you, Valeo Behavioral Health, for this opportunity to show our dedication and appreciation for your mission and work. May God continue to bless each of our organizations as we continue to serve those in need. - Krista*

*This event was inspired by the servant event assembling bags at this last spring's Leadership Conference and we thought it would be a great opportunity to demonstrate our organization's care for the community and highlight Mental Health Awareness.

The Hope Bags included: Water bottle, healthy snack, toothbrush, toothpaste, shampoo, body wash, deodorant, socks, washcloth, pen, pad of paper, and an inspirational quote.

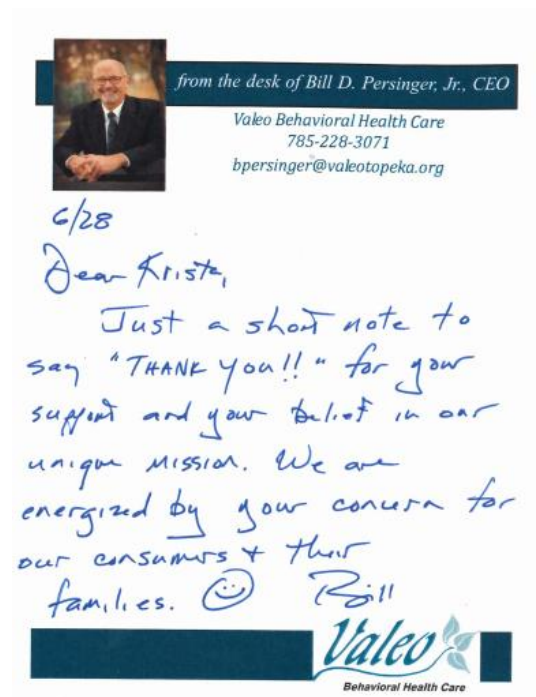

Representatives from the Marian Dental Clinic who were 5 of the 37 people that helped assemble the bags delivered them to Valeo Behavioral Health Care on June 27th.

Pictured here (L to R) Almeda White, Front Office Associate; Senator Vicki Schmidt, Board of Directors; Krista Hahn Executive Director; Sister Mary Rosaleen Driscoll, SCL; Jennah Hahn, Krista's daughter.

The Valeo Behavioral Health Care Executive Management Team welcomed the Hope Bags with open arms and excitement!

The Marian Dental Clinic is pleased to announce our clinic's **KDHE Primary Care Grant Award for July 1, 2018 - June 30, 2019 is \$99,974**. This award reflects a 9% increase from our FY18 award and a 25% increase from our FY17 award. The KDHE Primary Care grant funds are used for salaries at the clinic.

We are doing great things here at Marian Dental Clinic and it is being noticed by the Kansas Department of Health & Environment.

Sending a BIG shout out to our very hard working and dedicated Dental Team! THANK YOU FOR ALL YOU DO!

Three new Directors join Marian Dental Clinic's Board. We welcome these fantastic individuals and look forward to their contribution and support of our mission. The Marian Dental Clinic Board of Directors currently consists of twelve members with one vacancy.
